

TORRINGTON YOUTH SPACE

BY PAULA FULLER AND LUCAS DOHERTY

WHAT IS YOUTH GENESIS?

- Youth genesis is the organization that created and supports Torrington youth space. There are other youth clubs in South Devon but at the moment we are the only one in North Devon that is run by Youth Genesis.

WHAT IS TORRINGTON YOUTH SPACE

- Torrington youth space is a non-religious group that focuses around young people aged 11-17 and was created so that you have somebody to talk to but it is also a safe space where you can make new friends, try new things or somewhere to go if you just want a friendly chat. We provide

WHAT DO WE DO AT TORRINGTON YOUTH SPACE

- Torrington youth space is all about seeing what the young people want to do, which could be drawing, painting or even playing a nice friendly game of pool but you never get forced to do anything you don't want to do. You can learn new skills and even go on trips like Torrington fire station. we help do fundraising in the community to buy more equipment we want to use.

WHAT I THINK ABOUT TORRINGTON YOUTH SPACE

- Torrington youth space has opened me up to new experiences that I wouldn't normally do like playing pool cooking and baking and loads others they have also helped me make new friends and meet new people. I wouldn't normally do much on a Friday evening until I found out about youth club

- I know life might feel like a bit of a roller coaster right now because some days you feel quite good and you're at the top of the roller coaster and someday you might not feel as good when you're at the bottom but there are some good things about this for example I had to sit and do sats for a whole week and all of you don't have to. Always find the positives in everything
